Description

750/°° (18 KT, owl hallmark) yellow gold ring, with vegetal lines, composed of leaves paved with brilliant-cut diamonds, and stems formed by calibrated baguette-cut diamonds set in rails. In an ergonomic design, the movement and the volume give personality to this ring with an asymmetrical finish which nevertheless remains classic and pleasant to wear because it is flat on the finger. Gross weight: 5.45 g Total weight of the diamonds estimated for 0.80 carat Ring size: 51 1/2 - can be modified (on study) by our workshop, sizing offered (current diameter 1.65 cm / size US close to 6) Condition: imperceptible micro-scratches on the gold, natural inclusions in the stones not visible to the naked eye Our reference: HS20988
