

Holy Monk Of The Hispanic Colonies - XVIIth

340 EUR

Period : 17th century

Condition : Quelques manques

Material : Solid wood

Length : 10

Width : 9

Height : 32.5

Description

This monk is in carved wood and in the round.

This old piece is gilded and polychromed.

Austere, our ascetic stands on a wooden pedestal as well.

He owes his Holiness to the gesture of blessing he offers, since with his right hand he calls for heavenly protection.

Coming from the Hispanic colonies of South America, this 17th century work was appraised by Mrs. Laurence FLIGNY. Accidents and losses.
