Description

Vintage lamp from the 50s and 60s in gilded bronze attributed to Crystiane Charles, creator of the 1960s with high quality gilt bronze lamps with naturalistic subjects, foliage plants animals. Very large lamp, height 72 cm at the upper part of the lampshade, majestic in size and magnificent in its decorative qualities. Note the presence of two qualities of solid bronze, matt and gilded with fine gold, giving a chic and elegant effect to the whole. Exceptional lamp very stable by its base and also thanks to its consequent weight. Possibility of sending in France and all over the world.
