## Description

Old Indian doors in teak wood carved by master cabinetmakers from Vhedapuram, Pondicherry region. This creation is characterized by the recess of the doors in a very large frame in molded relief, forming three projections. The doors are embellished with shaped brass handles and iron elements improving the solidity of the whole. Testimony of the old days, they benefit from a beautiful patina and a wood species of very resistant quality. Unique piece made according to the rules of the art, these doors of character will seduce you with their charisma and their history. ******** Period: 18th century Very good condition. Beautiful patina. Delivery possible on estimate in France and Europe, by our partner specialized in the transport of furniture and works of art. Dimensions: Height: 232 cm
