Depth : 67 cm.

Description

I offer you this elegant chest of drawers from the 18th century. Originally from the east of France, it is in good original condition. Two boards changed at the back and a joint in the front molding towards the middle. Note the presence of a lock on the middle drawer which obstructs the three drawers when it is activated. Very reliable original lock. Beautiful honeyed patina. Drawer grips (very chic!) and original keyholes.
