Description

From the same collection as the match holder in the shape of a house, visible on my gallery, here is a superb letter holder. Made in a single piece, it is folded, in two parts, cut out with scaloped shapes and Openworked with stylized shapes and a monogram "LL" (Probably "Lestivet.L" cf another proantic item).Unfortunately a break on the between -two, which in no way alters the use or the beauty of the item.. well mentioned on my detailed photos! A restoration is to be considered, but don't need to.French working dating from the first part of the 20th century, Circa 1915.Dimensions: 25cm x 20cmFree shipping to France, European Shipping and payment only, please send me a message..I don't send out of Europe anymore, and no payment out of Europe too!!Contact: Charles Cordier: 06.46.13.37.64
