Description

French School circa 1910: "Nude holding his leg", mixed technique on paper 23 X 31 cm, mounted under glass in a modern gilt frame 39 X 48 cm. Not having disassembled it, it seems to me that it is a gouache with oil highlights. Unsigned, this delicate study of a blond model seated in the workshop, wearing only her bracelet, all in subtlety it is served by a divisionist technique close to that of artists who worked in the movement of Georges Seurat like Maximilien Luce , Henri Martin or Hippolyte Petitjean.
