Description

Pair of Nancéa baluster vases, in molten glass, dating from the 1910s. These vases have identical decorations, cleared with acid, of berries and flowering brambles in brown and purple colors on a gray background. The bases are bulbous and adorned with enamelled black leaves. Original and unique, these works, inspired by nature, will easily find a place in a warm interior. ******** Period: 1910 Excellent condition.
