

Landscape On The Pattern

280 EUR

Period : 20th century

Condition : Bon état

Material : Oil painting on paper

Width : 26,5

Height : 18,3

Description

Small study painted on the motif of a landscape, possibly in Italy. The painting is signed at the top left, with the name that I have not been able to decipher. It is framed very carefully in a carved and gilded wooden frame and measures only 4x12 cm.
