

Elegant Little Showcase

1 500 EUR

Period : 19th century

Condition : Bon état

Material : Other

Description

Elegant showcase cabinet, Napoleon III. The piece of furniture has sliding doors in the lower part, and two drawers in the central part. In the upper and lateral part we find two glass doors and in the upper floor there is a marble in shades of white. The use of wood that gives a fishbone shape to the piece of furniture is valuable, France, 19th century.
