

Beautiful Rounded And Raised Flap

3 500 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Description

Beautiful piece of furniture with rounded flap and backplash. The piece of furniture has a double rounded shape both in front and on the side. Opening the flap we find 6 drawers, two of which in the central part and four on the sides. In the upper part it has two sliding side doors and a central lockable door. The bronzes gilded with pure gold are of refined quality. On the handles are engraved noble portraits, Napoleon III, Central Europe.
