Description

Exceptional and Superb Vase by Auguste JEAN (1830-1890) ART NOUVEAU era. A sample of blown tinted glass stretched with the tool, receiving a rich gilt decoration and polychrome enamels with a floral motif and hot application depicting a lizard, in yellow glass running through the body of the vase. The collar is formed into droplets. Translucent blue glass with Flowers and Fruits, highlighted by a gold thread, and polychrome enameled ceramic flowers. The gilded brass frame rests on four round feet decorated with fruit. XIX eme. No signature.
