Period : 20th century

Condition : Très bon état

Material : Oil painting on wood

Width : 84cm avec cadre

Height : 73cm avec cadre

## Description

Marcel Bouyeron was born in Neuilly in 1890 and died in this same city in 1976. He is well known for his bouquets of flowers and for his tormented, stormy landscapes. This work represents a Breton coast under the storm. It is, to my knowledge, one of his finest works. Signed lower left. Well framed (Montparnasse).
