Description

Solid silver cup, ring sizer. Art Deco 1930.

Jean-Elisée PUIFORCAT (1897-1945)

Very pretty solid silver ring sizer typical of the art decoration period of Jean-Elisée PUIFORCAT (1897-1945).

The cup is round in solid silver with the Minerva hallmark, the foot with four gadroons arranged in tiers is surmounted by a gadrooned galalith ring.

It is signed by the silversmith on the edge of the cup as well as on the foot.

Manufactured in the 1930s.

Very good condition. (The galalith has some superficial cracks, visible in the photos)

Dimensions:

Height: 3.5 cm.

Diameter of the cup: 7.5 cm.
