Description

Discover a small vintage women's watch from UTI, a truly timeless jewel that embodies elegance and refinement. The round case in 18-carat white gold gives this watch a classic, sophisticated look. The delicate off-white dial adds a touch of subtlety and finesse. The dial is highlighted by two separate hands for the hours and minutes, providing a clear reading of the time. The watch is certified by the eagle's head hallmark, guaranteeing the purity and authenticity of the gold used. This hallmark is a recognised symbol of quality in the watchmaking industry and adds further value to this exceptional timepiece. In addition, a master hallmark attests to the maker's signature, confirming the origin and quality of the UTI watch. The elegant and refined design of the bracelet adds sparkle to the

piece, highlighting the 18-carat white gold case. Each link is carefully worked to create a bracelet that is fluid and comfortable to wear. The work on the bracelet contributes to the overall aesthetic of the watch, bringing out its luxurious and precious character. The clip clasp on this watch is both practical and secure. It ensures a perfect fit around the wrist, while offering an extra safety feature to avoid the risk of accidental loss. A second attachment point allows you to save 5 mm on the length of the strap, a functional detail that is essential for optimum comfort. Its original mechanical movement marks its time. It sets the pace for your day with a weekly manual winding. Don't miss the opportunity to own this exceptional vintage watch, which will add a touch of timeless sophistication to your style.
