Description

Discover this elegant women's watch from Eska, a little horological jewel that is sure to capture the attention of all who set eyes on it. The dial of this Eska watch is a subtle off-white, providing the perfect canvas to showcase the precise details of the three distinct hands for the hours, minutes and seconds. Carefully designed, these golden hands glide smoothly over the dial, providing a clear and precise reading of the time. The hour-markers, like the hands, are also in gold, adding an extra touch of refinement to this feminine watch. Their golden glow blends perfectly with the 18-carat yellow gold case and off-white dial, creating a striking visual contrast. The strap of this Eska ladies' watch is a deep, luxurious black. Made from top-quality materials, it offers optimum comfort while adding a touch

of sophistication to the overall look. The black strap harmonises beautifully with the 18-carat yellow gold case, creating an attractive visual contrast that enhances the elegance of this watch. The watch's automatic movement makes it easy to use every day. The dial of this watch proudly bears the words "Fab suisse" and "Swiss", testifying to Eska's pride in being associated with Swiss watchmaking excellence. These inscriptions certify the authenticity and exceptional quality of this watch, guaranteeing a precise and reliable timepiece.
