Description

I offer you this rare lamp from the Messageries Maritimes company. In so-called "Gros Bleu" porcelain, it is flanked on either side by the unicorn with a sea anchor, the emblem of the famous company. It was fitted with electricity in the sixties, so to be reviewed, the porcelain is in good condition apart from a few scratches or stains from use. A pair of this model was offered by Alliance Auctions in 2010 during a sale on this theme, it was estimated 2800 euros, I do not know the result of the auction.
