Description

Superb large console of 2m22 in wrought iron topped with a gray marble
Very beautiful gray marble of 4 cm which is rare and gives a lot of character to the console with a beck of corbin (small molding). The shape of this Marble Harmoniously marries that of the Console

The base of console is made of black wrought iron.

Very nice work decorated with two golden roses and a cup in its center
Note: restoration well executed on the marble (see last picture)
