

Louis Philippe Desk In Solid Walnut

1 250 EUR

Period : 19th century

Condition : Très bon état

Material : Walnut

Width : 115cm

Height : 148.5cm

Depth : p80cm

Description

Louis Philippe period desk in solid walnut. This desk is atypical, indeed the bottom such as a flat desk is rather common. On the other hand, the top such as a two-part buffet top is amazing. The interior equipped with drawers and compartments is very practical. The patina is warm and nuanced, the interiors are cleaned and glazed. Shipping included for metropolitan France.
