Depth : 65cm

Description

This 18th century wrought iron fireplace front is in three parts. The facade is decorated with five meandering laces, three of which converge towards a central circle and end in hooks. The same pattern is repeated on both sides but with three laces. The two side parts are hinged, the right one can be opened. The front feet end in flattened mushrooms, the back has two hooks for attaching to two eyelets sealed in the masonry.
