Hunting Kit In Horn Early XVIIIth

1 200 EUR

Period : 18th century

Condition : Bon état

Material : Horn

Length : étui 25cm couteau 21,5cm fourchette 19cm

Description

Superb and rare early 18th century hunting kit consisting of a knife, a fork and a sharpener. The handles of the knife and the fork are in deer horn tinted green and studded with plant motifs, the teeth and the blade are in iron. As for the sharpener, the tip is made of iron and the twisted handle. All the elements are stored in a wooden case covered with leather or a brass ring is attached to suspend it. Good state of conservation of the whole in view of the time, superb rare collector's item.
