

## Very Unusual Angel In The Shape Of A Pajama Bag By Italian Company Viv

250 EUR

Period : 20th century

Condition : Très bon état

Material : Linen

Length : 46cm

### Description

This pristine pajama bag dates from the late 1950s early 1960s and is fully tagged. It represents an angel with flocked head and hands. The finish brings a softness to the character as if it was made of felt or velvet. This imp has stationary blue glass eyes with rooted lashes, honey blonde rooted human hair, a spring felt coronet matching a circular decoration on the pink corduroy dress and black felt shoes.

Dimensions: 18"
