Description

Side table with two levels, including a sliding and retractable one, which can be used as a side table, bedside table or even serve as a library staircase. Original piece of furniture, decor inlaid with flowers, foliage, butterflies, chicks and grotesques, the bottom is mahogany and the decor is made of light wood. The lower part, which includes a drawer, slides forward and allows you to enlarge the surface of the tray. The upper part opens with a curtain made of wooden slats, which slides laterally. This piece of furniture with its brass side handles is easily movable. Dutch work from the end of the 19th century or the beginning of the 20th century.
