Description

PRINCESS OLGA NICOLAEVNA
TROUBETSKAYA : "THE BEAUTIFUL
RUSSIAN", oil on canvas 92 X 73 cm, mounted
in a simple frame 106 X 87 cm. This is the kind
of thing that explains my passion for this
profession! When I bought this painting, which
had been in a garage for a long time, it was dirty
and had been bought (backing slip) many years
earlier at an anonymous auction. A "je ne sais
quoi" in my eyes, this Paul Poiret smock dress,
made me buy it despite everything and I took it to
the restaurant for a little cleaning, we stripped it
of its frame to put it on the table and there, under
the spot, some flies' legs appeared, but almost
unreadable. After several hours of research on
different photos, the evidence was revealed: it
was the signature of Princess Olga Nicolaevna

Troubetskaya or Trubetskaya born May 8, 1867 in Arhkyrka in Ukraine and died on January 12, 1947 in Clamart in the Hauts-de- Seine, of which very few works are known. An annotation on the frame, difficult to read, probably gives us the identity of the model and its address. Now cleansed, our Beautiful Lady, probably Russian like the Artist, gives herself up to you with the sharpness of her gaze and her Venetian blond hair. Indoor photos are closer to the color reality. Do not hesitate to ask us for photos or additional information by email or telephone. In partnership with Galerie Lafouresse, we specialize in paintings on the Basque Country, the Landes and the Bassin d'Arcachon.
