### Description

Italian Oratory Furniture In Walnut Beginning Of The XVIII Eme Century.

Charming Italian piece of furniture forming an oratory piece of furniture.

a typical piece of furniture found in palaces in Italy, in beautiful Italian homes.

still in the spirit of the Haute Epoque, this small piece of furniture dates from the beginning of the 18th century.

fairly rustic in design, it is nonetheless very decorative.

the walnut is superb with a warm blond color and a very beautiful waxed patina.

trapezoidal in shape, it consists of a main body opening with a molded drawer and door on the front. the top of a walnut board molded with a corbin beak surmounts a frieze of serrated

piastres and caps the main body.

That is to say the drawer molded and decorated with a wooden pull button with a typically Italian assembly inside which is also made of fir.

the drawer surmounts a beautiful walnut mold surmounting the part comprising the molded door decorated in its center with a walnut pull button. we find in a geometric spirit molded reserves on each side of this door.

the main body rests on a space forming a molded storage box that opens with a flap.

a low molding completes the whole. this piece of furniture rests on two hoof feet at the front in the style of cassones.

the rear feet are slightly retracted.

the shelf is made of fir, as is the interior of the drawer and the backs of the furniture, which are original.

no significant restoration to report, those of use and maintenance only as well as a preventive treatment with xylophene even if this piece of furniture is not attacked.

a high quality walnut piece of furniture, very decorative in the spirit of the Haute Epoque.
