Guillaume Deniere - Hand Candlestick In Gilt Bronze-

450 EUR

Signature : Deniere
Period : 19th century
Condition : Etat d'usage
Material : Bronze
Width : 21,5 cm
Height : 8 cm

Description

Guillaume Deniere (1815-1901) is a bronzier to whom we owe, among other things, the carriage for the coronation of Charles X. This is a small hand candlestick in gilded bronze decorated with rolled foliage reminiscent of the rococo style . The DENIERE brand appears on the back of the socket. The gilding is very worn. This work can be dated around 1850.
