Description

Large surreal canvas with heads of state in the foreground! Painted by Sadran Marlene. Recognized and listed painter! Table with a lot of burlesque scenes and details! Very decorative from a visual point of view by its quality and its many varied colors! Here representation of the whole universe of the painter in his head and his thoughts! Sometimes very surreal! In a pictorial technique of her own and recognizable! Very high precision in the brushstroke. Great precision and great mastery to make all this sometimes unreal little world alive and stirring! Frand board format: 1.48x1.16 m in very good condition! Acquired directly from the painter! Before you die! Do not miss ! Not common on the market given its lack of exposure! Present in private collections all over the world! staggered and rare
