First Empire Dragon

175 EUR

Period : 19th century

Condition : Etat d'usage

Material : Paper

Width : 27,8

Height : 33

Description

Nice drawing in pen and bistre wash dating from the first part of the 19th century of a First Empire dragon. The drawing is framed in a pitchpin frame with a modern passe-partout. At sight, the drawing measures 20.2 x 13.4 cm. Small tears visible in the photographs are to be noted at the level of the left leg and the sword.
