### Description

I don't often use adjectives to describe my objects but, this time, I have to say that this pair of cut crystal bottles is truly superb!

The crystal is cut crystal with "fish scale" decoration along the neck and at the base, and the weight is surprisingly light, almost as if they were blown glass.

Both bottles are engraved, in the center, with a monogram surmounted by a marquis crown.

Available in total 4 identical pairs, for a total of 8 bottles.

As a defect we note opacity at the bottom, present on all bottles.
