Description

Regency style glazing bead mirror in wood and gilded stucco. Regency style glazing bead mirror in wood and gilded stucco dating from the 20th century, The mirror and its pediment are decorated with shells, staples, acanthus foliage, flowers and foliage, all animating the architecture of the mirror. This work is French, it is made on a resinous frame (fir), the mirrors are aged so as to give an old appearance. Parquet at the back also in fir The set is in good condition, it should be noted two cracks at the level of the glazing beads
Dimensions: Total height: 173 cm Width: 103 cm
