Pair Of Chinese Dinner Plates 18th Kangxi Period White Blue Qing Dynasty

1 400 EUR

Signature : Inconnu

Period : 18th century

Condition : Bon état

Material : Porcelain

Diameter : 26,2

Description

Pair of large Chinese porcelain plates with central decoration of a large hanging flower and scent pot and surrounded by flowers and foliage on the wing.

Kangxi period (1662-1722) of the Qing dynasty around 1700.

note a chip of 1 cm on the back of the plate on the right and a small chip on the side (last photos), the plate on the left is like new except for a little wear on the enamel. Marked on the back with a blue white quadripod incense burner/incense burner called ding, a reference mark from the Kangxi period.

Diameter 26.1 and 26.2 cm.

Delivery possible by chronopost or by MBE
