

Laszenko : Luxor Temple In Egypt

3 900 EUR

Signature : Alexandre Laszenko

Period : 20th century

Condition : Très bon état

Material : Other

Width : 68cm

Height : 97cm

Description

Impressive view of the temple of Luxor signed and dated A. Laszenko 1920. The luminosity, the play of shadows, the smallness of the characters and the vanishing point located at the third of the painting make us feel the grandiose side of this famous Egyptian temple. We clearly distinguish the hieroglyphics engraved in the columns.
