

Small Louis XIII Style Table With Turned Legs

650 EUR

Period : 19th century

Condition : Bon état

Material : Walnut

Length : 60

Width : 50

Height : 79

Description

19th century Louis XIII style side table in walnut. It opens with a drawer in front and is carved on all sides. The base and the crosspiece between the legs are turned and the crosspiece is decorated in its center with a spinning top. The leather top is original and is slightly worn. The table can be presented in the center of the room.
