Description

DECANIS Théophile (1847-1917)

"The broom in bloom in Provence"

Oil on canvas,
Signed lower right,

Beautiful luminous work by the Marseille painter Théophile Décanis which represents a landscape with broom in bloom near a Provencal farmhouse, certainly on the heights of the Etang de Berre where the artist liked to paint.
The artist used a colorful palette and played on contrasts in order to meticulously represent the vegetation and the shades of colors of a sunny day.
