

## Two Face Reliquary Gabon

4 800 EUR

Period : 20th century

Condition : En l'etat

Material : Solid wood

### Description

Very curious and old Janus reliquary with a thick crusty patina of a style close to the Mahongwé or Shamayé of Gabon. A concave side with copper strips and the other side of a head in relief covered with copper. 4 rusty iron rings are inserted as well that two rings surround the base of the neck of the reliquary. A thick crusty patina of use covers the whole of the piece. The base is eroded by its age. Large indigenous staples allow the copper sheets to be plated on the soul of the wood. Free shipping in the whole world.
