### Description

Impressive rare pair of throne chairs in perfect Italian Renaissance style, late 19th century. Made of solid walnut wood. The finely carved wooden backrest with very complex decoration. Note how the decoration carved in the wood is also present on the back of the two thrones, they are beautiful to admire on each side. The backrest and seat are padded and covered with brown faux leather embellished with golden brass studs. Used but in excellent condition both of the wood and the padding and imitation leather. Ready for you to use and admire in your beautiful home. Perfect for use as a head of the table or in a living room. Seat Height 50 cm
