Large Chinese Porcelain Lamp, Canton Nineteenth

670 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Height : 60

Description

Large polychrome Chinese porcelain lamp,
Canton 19th century, formerly oil-fired, decorated
with several scenes of characters, florals,
butterflies....

Gilt bronze mount.

New electricity: golden brass socket for E27
screw bulb, new wires.

The mounting of the power supply goes through
the inside of the foot.

The lampshade has been created to measure with
an off-white satin with a blue color finish and a
gold soutache border.

Interior of the golden lampshade.

Note: old porcelain repairs, wear to the gilding,
visible in the photos
