

Rare Old Organ Bench In Solid Oak

Description

RARE!!! Magnificent real organ bench. Made by a craftsman during the first half of the 20th century, this superb bench is entirely in oak. The work of sculpture and curvature is remarkable. The two legs, connected to each other, each form a double wave that converges towards the oval-shaped seat. It is in excellent overall condition, solid and stable, with traces of its long life. The color has taken on a magnificent caramel patina over the years. This superb bench will be perfect to adorn a beautiful entrance or bedroom.
