Description

Superb and creative painted panel made with superimposed cutouts of cardboard and wood dimensions 121cm high by 82cm, thickness 12cm signed on the back Born in Tunis in 1940 he took some evening classes at the Beaux-Arts in Marseille before working for 7 years at a Master glassmaker whom he abandons to devote himself totally to painting. His first exhibitions, he made them in Marseilles then in Saint Remy de provence (moreover the museum of this same city preserves several works of this artist), in Lyon, Paris or the Visconti gallery will have the exclusivity, then Switzerland, the United States....etc... Is it painting-sculpture? relief-object, Alessandri practically only uses wood as a material. Wood that he cuts, planes, polishes or leaves in its raw state and with which

he develops singular pieces which are assemblies of pieces pegged, perforated, veneered on sorts of panels. From there arises a whole fantastic world of characters and beasts that have the magical side of African Art. Friend of Louis Pons he will live in Eygallières alongside Prassinós. Good condition This painting of a very creative modernity does not leave indifferent the quality of execution and the spirit of inventiveness of the artist will easily find its place in your collection as well as in your interior free shipping in the Var, the Bouches du Rhône, the Alpes Maritimes for other regions contact me for an estimate of the shipment no delivery to the International
