Description

ERMENEGILDO ANTONIO DONADINI (1847 Split - 1936 Dresden)Nun with a sick girlCirca 1880Oil on canvas104 x 75 cmSigned lower left: E.A. DonadiniDonadini, born in Split from a Venetian family, was the leading painter in Dresden in the last quarter of nineteenth century and the early twentieth century. Most of his work was lost due to air raids on Dresden at the end of World War II. The pensive and worried sister and the sick girl make for a sad subject (much like The Sick Child by Edvard Munch), but it is a beautiful and moving painting.
