Description

This oil on cardboard is in very good condition with its original frame. I failed to identify the signature. The artist had a very good command of his art, this painting was perfectly done, it is very pleasant and decorative. A little cubist, a little fauvist, a hint of pointillism, this painting is typical of the 1940s. It is located on the back: Montmartre, Impasse Trainée (morning). This impasse has now changed status, it became rue Poulbot in 1967. Dimensions with its frame: 57.5 x 49.5 cm. Dimensions without its frame: 46 x 38 cm. Fast, neat and very secure shipping.
