### Description

This cigarette box opens intelligently, it is compartmentalized, of good quality. There is an oriental work in mother-of-pearl marquetry on four ball feet. There is a music box on the bottom that we have not tested. For the state, note small gaps on the top of the box, missing marquetry on the right side and a detachment of a wooden slat on the left side. The set remains in a presentable state. Our many photos allow you to appreciate the quality of the object. For the state, thank you for detailing the photos. Feel free to zoom. The photos are an integral part of the description.
