H284(320)xW199(226)mm. Good condition, some scattered stains, slight creases from handling, old mark of median horizontal crease visible on the back, traces of old mounting. Proof on laid paper, after a drawing by Maarten de Vos (1532-1603) and published by Joannes Baptista Vrints. This work presents Christ crowned with thorns, carrying a lamb on his shoulders, another shepherd and his sheep behind on the left, a chalet on the right.
