Description

We present this pretty small 18th century curved piece of furniture covered with a brocatelle marble. This piece of furniture is in our opinion Italian unless it is German but we opt for Italy. It is veneered on fir resinous, the precious woods which were used to veneer this piece of furniture are mahogany. Very good general condition on this period piece of furniture. In bronze the hinges, pull button and keyholes are all original. Drawer bottom mounted in hatboard. (E23)
