

## Small Glass Commode - Design From The 50s

550 EUR

Period : 20th century

Condition : Etat d'usage

Material : Glass

Length : 65 cm

Height : 71 cm

Depth : 31 cm

### Description

Amusing little in-between chest of drawers in bevelled and chiseled glass, opening two drawers without crosspieces and resting on four elegantly arched stained wooden legs.

French work of good qualité from the 1950s: traditional assembly, dovetail drawers. Good general condition, lacks and stains on the mirrors (not devoid of charm and affirming the authentic character of this piece of furniture).
