12 500 EUR

Period : 18th century

Condition : Très bon état

Material : Gilted wood

Width : 139

Height : 88

Depth : 76

Description

Console four legs in gilded wood, Regency period.
Royal-red marble.
Its belt on the front is carved with two birds protecting themselves under a count's crown and carved with garlands of flowers, a turtle and a snake.

The curved sides are openwork and carved with acanthus leaves and flowers.
The uprights of the feet are curved and sculpted with masks at the top and end with feet with internal winding.

Work from the south of France, first half of the 18th century.
