

Patinated Bronze Radiator Cap Or Mascot Circa 1920

580 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Diameter : 6,6 centimètres pour le socle

Height : 9,8 centimètres

Description

A "radiation cap" car mascot From the 1920s A pretty little monkey, with beautiful carvings and a nice patina... For which car, I don't know...?!.. In good condition (no lack) A few blows and small deformations from use The base part which is screwed must have been silver... I leave it in its own juice...! Weight...424g
