Description

Pair of early 20th century vases in art deco style with patina and metallic sheen. Very beautiful decorative effect for this pair of large vases, h 69 cm, which have a majestic and elegant presence thanks to their appearance and shiny and deep glaze. Possible manufacture of Sarreguemines, known for its cutlery in magnificent metal colors. Note the excellent state of conservation of the material and the glaze. Possibility of sending in France and all over the world.
