Onnaing Tulip Tree

1 300 EUR

Period : 20th century

Condition : Parfait état

Material : Earthenware

Width : 35 cm

Height : 44 cm

Description

We present this tulipière from the factory of Onnaing North of France. It is a majolica whose name was popularized in the last part of the 20th century to call this kind of object "barbotines". Onnaing also made characters and animals in the form of water pitchers. For us the tulipière is a centerpiece of these majolicas. Very good state of conservation, no restoration or hidden defects.
