Description

We are delighted to present this exceptional Empire period psyché/vanity mirror, inspired by the model of the Palais Royal, a piece of rare elegance and great artistic finesse. Made of gilded bronze and mother-of-pearl, this psyche is a true work of art, finely chiselled with exceptional attention to detail. The two mother-of-pearl columns add a touch of grace and splendor to this already sumptuous room. Mother-of-pearl, with its shimmering luster, gives the psyche a unique and bewitching aura. Its delicate legs decorated with ducks testify to the talent of the craftsmen who shaped this unique piece, adding a charming and refined touch. One side of the mirror features a crystal-clear beveled mirror, perfect for touch-up makeup or admiring your outfit in style. On the other side, you will discover a real marvel:

a miniature painting signed Derval. This piece of art will add an artistic and sophisticated touch to your interior. The motifs of the eagle, symbol of power and majesty, as well as cornucopias, symbolizing prosperity, enrich this work with powerful symbolism. This Empire period psyche/vanity mirror, with its mother-of-pearl columns and rich decor, is much more than a simple functional object. It is a collector's item that captures the artistic essence of this prestigious era. Its timeless elegance will add a touch of sophistication to your interior, and its fascinating history makes it a piece worth treasured by lovers of antiques and art alike. Do not miss this unique opportunity to own a psyche of such elegance and artistic value. This exceptional piece will illuminate your living space while bearing witness to a rich cultural heritage. A real treasure that will amaze connoisseurs and art lovers.
